Member

We are delighted to invite you to our Positive Relationships evening on Tuesday 26th May 6.30-8.00pm at Inveralmond Community High School. This event is aimed at parents and carers, although young people are able to accompany their adults.

This event is designed to help every parent and carer feel knowledgeable and confident in how young people are supported around relationships and behaviour.

We strongly encourage you to join us and make the most of these sessions to ensure your child is ready for the exciting opportunities ahead.

During the evening there will be an opportunity to hear about the school's approaches, as well as interactive activities and opportunities for discussion and questions.

We also extend a welcome to parents and carers of our Cluster Primaries.

**Register to attend this event
by using the QR code.**
